Why You Should Use Chamberlain's Cough Remedy.

Because it has an established reputation won by its good works.

Because it is most esteemed by those who have used it for many years, as occasion required, and are best acquainted with its good qualities.

Because it loosens and relieves a cold and aids nature in restoring the system to a healthy condition.

Because it does not contain opium or any other narcotic.

Because it is within the reach of all. It only costs a quarter. Obtainable everywhere.—Advertisement.

BIG BATTLE

(Continued from page 1.)

"On the rest of the front there is nothing to report."

GERMAN STATEMENT OF WAR OPERATIONS

BERLIN, Dec. 30.—Heavy fighting continues in the Vosges. Announcement is made by the German high command that the enemy's positions near Hartmannswillerkopf have been reconquered by the Germans. A British surprise attack near Lille failed.

The text of the statement follows: "British attempts during the night of December 29 to enter our positions northwest of Lille by surprise failed. A German enterprise at night at a point southeast of Albert succeeded and several dozen British were captured."

"The Germans reconquered positions near Hartmannswillerkopf."

"On the whole front artillery and aeroplanes were active. The enemy's aircraft attacked the towns and railroad stations of Wervick and Menin, Belgium. No military damage was inflicted but seven civilians were wounded and one child was killed. A British aeroplane was shot down in a fight northeast of Cambrai."

SUPREME COURT

Members Are All Here Attending Lawyers' Convention at the Waldo.

All the members of the supreme court of appeals of West Virginia are in attendance upon the sessions of the state bar association. Judge Poffenberger, Mason, Miller, Williams and Lynch. Judge Poffenberger is now president of the court.

The state's highest tribunal is now practically up with its arduous duties. Only one or two cases, which were submitted on the last few days of the fall regular term remain undecided and nearly all applications for appeals and petitions for rehearing have been disposed of. A recent compilation of the West Publishing Company shows that the supreme court of this state dispatches as great a volume of work as some of the largest states of the union.

The next term will begin on January 13, next, and the argument docket for that term contains about 120 named cases for hearing. No doubt the court will clear up that docket by next July.

CABLE RESTORED.

The Western Union Telegraph Company says cable communication with Dutch Guiana is restored. Messages may be written in English or French when fully addressed and signed with at least the surname of the sender.

SALEM TEAM VICTORS.

The second Salem high school team trimmed the Northview school team in an interesting game played at Northview Wednesday night. The final score being Salem 14, Northview 7. The Salem team was heavier than the Northview boys and showed much better training and team work.

SAGE TEA PUTS LIFE AND COLOR IN HAIR

Don't Stay Gray! It Darkens So Naturally that Nobody can Tell.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old, famous Sage Tea have been sold annually. It is a weak, brown, druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful—all without going through scalp itching and falling hair stages.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.—Advertisement.

HUSBAND AND GIRL BRIDE ARE FORCED TO RIDE FREIGHTS

In an Effort to Reach This City Where He is to Have Employment.

HUNTINGTON, Dec. 30.—An exciting experience, participated in by a young bride of five months and her husband, was recited by the girl Wednesday at the Union mission, where the young couple was taken when apprehended by the Huntington police.

They were married last August and lived happily together for a time, their wants being supplied fully, as the husband had a good position.

He was, however, finally laid off due to lack of work and need was felt strongly by the girl bride and the husband.

All this happened in Nashville, Tenn., where the couple resided and finally, after fruitless efforts to get work in Nashville, the husband decided to look elsewhere. By communicating with a Clarksburg concern he secured a promise of a position, but then the problem arose as to how the husband and wife could get to the West Virginia city.

The wife proposed that they ride to Clarksburg "hobo fashion." The husband at first dissented, but, when no other means of travel offered itself, he decided to accept the proposition of the wife. Several weeks ago they boarded a slow freight running north from Nashville and rode a considerable distance before discovered. They were forced to abandon the freight several times during the trip, and they slept the cold nights in shacks along the way. Estates were secured from charitable persons and after many hardships the couple arrived in Cincinnati.

They inquired as to the road to Huntington and when this information was secured, they "hit the foot trail." After a long walk they arrived in Huntington early today and appealed to the police for aid. The officials sent them to the Rev. Ernest Reveal, superintendent of the mission, who gladly received the couple. They were fed, facilities for a bath were given and fresh clothing supplied.

Reveal will make an endeavor to secure them railroad tickets to Clarksburg. Until final disposition is made of the case, they will reside at the mission.

DISMISSED

Are Charges of Gambling Against Three Men Arrested in Police Raid.

The charges of gambling against three men, who were arrested in a police raid on the Fordyce building on West Pike street Tuesday night, were dismissed at their trial in police court Wednesday evening. Lack of evidence caused the dismissal of the cases. A fourth man, who was arrested in the same raid, failed to appear for trial, and his bond of \$5.00 was declared forfeited by Mayor G. H. Gordon.

The three men who were cleared of the charges against them gave their names to the police as George Brown, Frank Perin and Timothy Bell. The fourth man said his name was John Smith.

In the schools of Australia boxing has been introduced as a regular exercise for schoolboys.

BONDS FORFEITED

By Two Men and a Woman, Who Fail to Appear in Police Court.

Bonds aggregating \$51.50 were forfeited by two men and one woman, who failed to appear in police court Wednesday evening to stand trial on a charge of assembling for immoral purposes. The woman, who said her name was Grace Carson, had posted a bond of \$1.50, while the two men, who gave the names of Edward Smith and John Doe, had put up \$15 each.

The three were arrested Tuesday night by Lieutenant of Police Nicholas M. Whyte, Detective L. L. White and Officer Joyce.

The committee on legal education, by its chairman, H. St. Spillman, of Charleston, submitted its report with the following resolution, which was adopted by the association:

"Resolved, that it is the sense of the West Virginia Bar Association that all examinations of applicants for license to practice law in the courts of this state should be held under the honor system, that is to say, that each applicant be required to attach to each examination paper submitted by him, and to sign a pledge to the effect that he has neither received nor given assistance upon such examination, and that it be explained to applicants that each of them is under the duty of exposing, without fear or favor, to the board of examiners any cheating or dishonest conduct which may come to their knowledge affecting such examination."

UPRISING

In Western China is Said to Be Progressing Now.

SHANGHAI, China, Dec. 30.—A telegram from Chung-Tu, capital of the province of Sze-Chuan, says there are indications that an uprising in western China is being planned, secret preparations being made for the revolt. The opinion is expressed in the despatch, however, that the chances for the success of the movement are small.
